Fix leaking power steering hoses on your BMW E46 3-Series with the Rein Refresh Kit! Includes LF20 or LF30 hoses, and a power steering pump to steering gear hose, reservoir, & seals. Get your car back on the road in no time! Power steering hose kit with reservoir & seals. The kit comes with the following items.

The power steering pump is an important part of your BMW 330i's power steering system that allows you to adeptly handle the steering wheel. As you turn you wheel, the power steering pump sends the necessary fluid to the steering gear to force your car wheels to turn in synchronization with the steering wheel. ... - 2006 BMW 330i Power ...

An electric motor--acting through a self-inhibiting planetary gear transmission--adds or subtracts steering angle based on information from a rotational sensor in the steering wheel, vehicle speed, and information from the vehicles stability control system. Steering force is determined by BMW's Servotronic power steering system.
