We are delighted to invite you to the upcoming ASEAN Solar PV & Energy Storage Expo 2025, which will be held on March 5-7 in Impact Exhibition Centre, Bangkok, Thailand. This prestigious event brings together industry professionals, experts, and leader ... 2024 CINIE - China Nuclear Energy High-Quality Development Conference. 3 Smart City Asia ...

2Conference Program: A comprehensive conference program featuring keynote speeches, panel discussions, and presentations by industry experts and thought leaders on topics such as market trends, policy frameworks, technological advancements, and case studies related to solar PV and energy storage. 3Networking Opportunities:

ASEAN Solar PV & Energy Storage Expo 2025 is a premier event dedicated to the advancement of solar photovoltaic (PV) technology and energy storage solutions in Southeast Asia. This expo will be held in Bangkok, the vibrant capital city of Thailand, which serves as a gateway to the booming renewable energy market of the Association of Southeast Asian Nations (ASEAN).

Energy and climate-related policies have been accelerated by both state and federal governments, and for many companies the time feels right to invest in energy storage. This event gathers together investors, developers, IPPs, grid operators, policymakers, utilities, energy buyers, service providers, consultancies and technology providers under one roof.

ENERGY STORAGE ASIA 2024, featured prominently at ASEAN SUSTAINABLE ENERGY WEEK, will

serve as a hub for cutting-edge energy storage technologies from leading brands worldwide. It offers a unique opportunity for industry professionals to connect with high-quality suppliers, catering to the energy sector, and even the electric vehicle industry.
