Our customer is Planet Solar Energy (SL) Limited, a company incorporated in Sierra Leone to develop five solar PV power plants in 4 distinct sites across the country: Koidu (also referred to as Kono), Makoth, Bo and Port Loko. A Special Purpose Vehicle (Frontier Energy II Delta K/S) is established in order to allow DFIs (FMO, BII & Proparco) to ...

So no faults, just not working. So Solar Edge says talk to Ace Solar, Ace Solar says talk to Solar Edge, the customer success person disappears for 2+ months, and all the time Ace Solar says "well the PV system is working". The Recent "firmware" change that I had to call Solar Edge to get done, as Ace Solar was "unavailable" per normal.
