

Conch Energy Saving and Environment Protection New Material Co., Ltd. announced that it has received CNY 499.999999 million in funding from Anhui Conch Group Co., Ltd

The company specializes in MVR evaporation and crystallization systems, zero discharge treatment of wastewater, and air pollution control equipment. We are committed to providing comprehensive energy-saving equipment application solutions for the chemical, environmental protection, agricultural, metallurgical, printing and dyeing, biological ...

Anhui Cnairvent Energy-saving and Environmental Protection Equipment Co., Ltd. is a modern technology enterprise integrating R& D, production and sales of electric power equipment. The company mainly produces high and low voltage sets, fire cabinets, automatic control cabinets, photovoltaic direct (AC) current convergence boxes, grid-connected cabinets, photovoltaic ...

Anping County Jinlong Vehicle Equipment Co., Ltd. (hereinafter referred to as "Jinlong Equipment") is located in Anping County, Hebei Province. It was established in 2001 and is certified by EU ECE R43, CTC China Building Materials Inspection and Certification, DIN6701 Bonding Certification, EN15085 International Welding Certification and many ...

Premium Manufacturer from Ningguo, China. Established in 2018, Anhui Xinning Equipment Co., Ltd. Exports 31% - 40% of its products to America, Africa, Asia, Oceania, WorldWide. Our top rated products include AUTOMATIC FLASKLESS MOLDING MACHINE, IRON MOLD COATED SAND CASTING LINE, HEAT TREATMENT PLANT, Casting Molding Machine, Foundry ...

B2B Meetings are exclusive to WETEX 2024 exhibitors. Please read the guidelines related to B2B and B2G meeting requests prior to registration. When using the audio-visual chat feature on the virtual platform to speak with exhibitors, attend seminars, or for any other activity; you must act responsibly, adhere to public etiquette, and only discuss topics related to the exhibition.

Anhui Ruilian Energy Saving Technology Co., Ltd., founded in May 2012, has its own plant of more than 30,000 square meters, won the national high-tech enterprises, private science and technology enterprises, Anhui province famous brand products, the company mainly produces polyurethane composite panels, rock wool composite panels and a series of thermal insulation ...

Anhui Huasun Energy Co., Ltd (hereinafter referred to as "Huasun"), founded in July 2020, is a technological innovation enterprise specialized in the R& D and large-scale manufacturing of ultra-high efficiency N-type silicon heterojunction (HJT) solar wafer, cell and module. ... Huasun now owns 20GW capacity of high-efficient HJT products ...

LeHeng has rich experience in design and manufacture of MVR evaporation system, since its inception, more than 200 sets MVR evaporators and compressors have been installed and working excellent in various industries. Leheng is one of the most famous energy-saving equipment manufacturers in China that generated consolidated revenues of approximately ...

JMFJX series axial flow evaporation forced circulation pump is a large flux and low head axial flow pump. Introduce and digest the advantages of similar products at home and abroad, the ...

Songyu Company was established in Shanghai in 2007. It is mainly engaged in the production and sales of sanitary stainless steel and special material series container process equipment. Its products cover the fields of pharmaceuticals, cosmetics, food and beverages, fine chemicals, electronics, and new energy. Customers involve all over the country., far and overseas.

Anhui Ansheng Petrochemical Equipment Co., Ltd. was established in May 2012 with a registered capital of 30 million yuan and an area of about 65,000 square meters. It is equipped with advanced manufacturing and testing equipment in the industry, and has first-class R & D, manufacturing and manag

Find company research, competitor information, contact details & financial data for Anhui Jinglong Energy Co., Ltd. of Bengbu, Anhui. Get the latest business insights from Dun & Bradstreet.

Anhui Shanneng New Energy will always keep up with the latest cutting-edge technological achievements, use high-efficiency batteries and first-line brand auxiliary materials, accurately control every production link and quality control, and insist on providing the highest quality solar photovoltaic modules to our customers at the best price.

Anhui JinDragon Flavor& fragrance Co.,Ltd is an independent family owned manufacturing company established in 2009, which has more than 70 employees,with 19000M2 Floor area,located in Dingyuan Industrial Park,Chuzhou City,Anhui Province,China . The investment of Jinrong is RMB Fifty-five million,including construction of buildings and facilities.

Shandong Tianli Energy Co., Ltd. (hereinafter referred to as Tianli), established in 1994, is a state-level high-tech enterprise held by Shandong Scitech Innovation Group Co., Ltd. Tianli takes drying, calcination, evaporation high-end equipment and related green and low-carbon projects as the core, develops chemical and

new material frontier projects, and is a supplier of core ...

Jiangsu GOJE Energy Saving Equipment Group Co., Ltd. | 42 ?GOJE Provides the most efficient industrial evaporation solutions | GOJE group is a technology-based enterprise specializing in the research& development, production of evaporators, heat exchangers, MVR evaporation devices and evaporation crystallization equipment. Our ...

Anhui Xinning Energy Technology Co.,Ltd.where mainly design, manufacture, sales and technical development of industrial steam turbines and special steam turbines, industrial waste heat and residual pressure recovery technology, distributed energy technology, low-temperature economizer energy-saving technology for boiler, steam turbine and system energy-saving ...

With safe, environmentally friendly, energy-saving housekeeping solutions and intelligent system integration capabilities, it responds quickly to cold chain Provide users with full-process services and full-cycle guarantees from technical consultation, project planning, system design, equipment manufacturing, engineering construction ...

Jiangsu Gaojie Energy saving Equipment Group Co., Ltd . GOJE GROUP is an environmentally-friendly and energy-saving equipment manufacturing enterprise. We are also a high-tech enterprise integrating research and development, design, production, installation, and commissioning. ... The company also attained environmental management certification ...

It is basically the same as MVR multi effect evaporation system. Generally, TVR device is introduced at the last stage evaporator to compress and lift the MVR outlet steam as heating steam, or suck the secondary steam of the last stage evaporator back to the MVR inlet to reduce the evaporation temperature, so as to obtain a larger effective evaporation temperature ...

Anhui Tongyuan Environment Energy Saving Co.,Ltd. focuses on solid waste pollution barrier repair, solid waste treatment and disposal and water environment restoration. The company was founded in 1999, headquartered in Hefei City, China.

Find company research, competitor information, contact details & financial data for Anhui Jinlong Zhengfa Energy Saving Equipment Co., Ltd. of Tianchang, Anhui. Get the latest business ...

Zhejiang Jinlong Electrical Machinery Stock Co.,LTD manufacturing started in 1981. It is an expert in servo motor customization. Based on the Yangtze River Delta, we are a professional enterprise integrating research, development, manufacturing and sales of intelligent servo permanent magnet motor, asynchronous motor, drive and frequency conversion control system, and ...

Anhui Sanfang New Material Technology Co., Ltd. is located in Ningguo City in the southeast of Anhui

Province, connecting seven counties and cities in Anhui Province and Zhejiang Province, backed by Mount Huangshan Mountain and Jiuhua Mountain, and integrated into the two-hour economic circle of Shanghai, Nanjing, Hangzhou and Hefei ...

Anhui Tongcheng New Energy Materials Co., Ltd. [official website] is a photovoltaic module specific material manufacturing company that integrates the production, processing, and sales of photovoltaic packaging materials and tin coated copper strips. ... Applied to efficient pure black components, improving component lifespan and reducing power ...
