Bose ® Solo 15/10 series II TV sound system Owner"s Guide o Guía del usuario o Notice d"utilisation . 2 - English Important Safety Instructions Regulatory Information Please read this owner"s guide carefully and save it for future reference.

Generally, soundbars are better than TV speakers for home audio. TV speakers are often small and have low sound quality, which can affect your overall listening experience. Soundbars, on the other hand, are designed to produce high-quality sound, enhance dialogue clarity, and offer immersive audio that can transform your TV watching experience.
