

Can the door storage box hold two cups

What can you store on the back of a cabinet door?

For more information, [click here](#) to see our disclosures. The backs of cabinet doors provide easy-to-access storage for things like measuring cups, pot lids, spices, plastic bags and kitchen wraps. You'll be surprised at how many things you can store there without taking up much extra space...and how much more efficient it will make your kitchen.

How do you store water bottles in a pantry door?

A simple solution is to use an over the door shoe organizer as a water bottle holder. Just hang it on the back of your pantry door and use the upper slots for the adults bottles and the lower slots for the kids. You can also put a lazy susan on one of the shelves.

How do you store measuring cups & spoons in a kitchen cabinet?

The first one of my kitchen cabinet door storage ideas will get your measuring cups and spoons in line...literally. I moved all of my measuring cups and spoons to the inside of one of my kitchen cabinet doors...and I love it! Using pegboard lets you re-position the hooks without making a million holes in the back of the door.

How many pockets does a door storage rack have?

It has space for ribbons, wrapping paper, tape, cards, and more, all thanks to the eight clear pockets for gift wrap, six extra pockets for accessories, three hooks for hanging over a door, and a dowel rod to hold ribbons and tape. This door storage rack has it all for the silly season.

What can you store in a pot lid organizer?

Store cereal, spices, jars, cleaning supplies, and other household essentials easily. Pot lids are never the easiest kitchen items to store, but this over-the-cabinet-door pot lid organizer undoubtedly makes life easier. It boasts an installation-free design with padded brackets that slide over cabinet doors.

Should you store coffee mugs outside your kitchen cabinets?

Facing an overflowing coffee mug cabinet is not a relaxing way to start your day. If your mug storage consists of near-toppling stacks of cups, it's time to organize. While there are plenty of creative ways to store mugs outside of your cabinets, not every kitchen has the space.

Each jar can hold a measuring cup, and you can decorate the jars for added style. Wooden pegboard: Create a customized pegboard by cutting a piece of wood to your desired size and attaching hooks or pegs. Hang your measuring cups on the hooks, arranging them in a way that suits your needs and style.

On the Wall. Most K-Cup storage solutions tend to sit on top of surfaces such as a drawer, shelf, or cabinet; but a wall display rack can be another excellent solution when you don't have these kitchen features (or countertop space) to spare.. A wall organizer can be mounted within the backsplash area, above a coffee station, or even on a nearby blank wall.
