

Why should you attend China International Energy Storage Expo?

At China International Energy Storage Expo (EESA EXPO), Asia's premier energy storage exhibition, the road ahead is paved with countless opportunities. From connecting with 350,000+ of your peers to doing business with 1500+ exhibitors, it's an exhibition that yields benefits throughout the entire year.

Why should you attend energy storage Expo?

From connecting with 350,000+ of your peers to doing business with 1500+ exhibitors, it's an exhibition that yields benefits throughout the entire year. Preview the latest energy storage products and solutions, tune in to the latest industry trends and expand global business networks.

Why are energy storage solutions important?

Innovative energy storage solutions decouple power generation from electricity consumption. That is why they are indispensable for achieving a sustainable energy supply from renewable sources - with tasks ranging from stabilizing the power grids to electric transportation.
