

Finco energies

Who is fincoenergies?

We are an independent, leading provider of sustainable energy solutions. Our mission is to propel our customers' transition towards a better world. At FincoEnergies we focus on providing low-carbon fuels, other energy and decarbonisation solutions.

Who owns fincoenergies?

FincoEnergies was founded by Coloured Finches, an energy investment company that holds the majority of the shares. Together with the investment company Pontex Investment Partners and the management investment program, they form a very committed group of shareholders.

What makes fincoenergies a sustainable company?

Founded in 2013, FincoEnergies embodies a commitment to driving change in the energy landscape. Our DNA is woven with a dedication to sustainability, reflected in our evolving strategies aligned with the UN Sustainability Goals (SDGs). These goals are the compass guiding our actions.

Why should you choose fincoenergies?

Thanks to years of building up a lot of technical expertise, FincoEnergies is able to offer our customers high blends of sustainable biodiesel. At our terminal in Enschede, drivers now have access to a versatile blend skid offering a wide selection of sustainable fuels.

Does fincoenergies offer hvo100?

FincoEnergies offers HVO in its purest form (100%) and in blends: HVO20 and HVO7. FincoEnergies' Biofuel Swap offers transport companies a simple way to reduce emissions, even without direct access to HVO100. With guidance from our experts, you'll determine your HVO100 needs.

Why should you choose Finco?

We want to propel our customers' transition towards a better world. The name Finco is derived from the beautiful colourful finches that Charles Darwin discovered on the Galapagos Islands, and which are a classic example of surviving by continually adapting to new situations.
