

FirstEnergy understands you depend on safe, reliable power to keep your home, family and business running. To keep power flowing, our crews prepare for potential outages long before they happen. If you should lose power, these tips and resources can help you manage while our crews work to restore service.

Outages. Power outages can be reported by one of the following ways: Call 1-888-LIGHTSS (1-888-544-4877); Report outage online; Text OUT on your mobile phone (Registration is required using your 12-digit account number and ZIP Code.)

There are many ways to keep in touch with FirstEnergy for account, outage, and company information. Text and Email Alerts; Manage Your Account; Social Media; Newsroom; Customer Service; View Ways to Stay Connected

6 days ago; The annualized dividend paid by FirstEnergy Corp is \$1.7/share, currently paid in quarterly installments, and its most recent dividend ex-date was on 11/07/2024. Below is a ...

FirstEnergy is dedicated to integrity, safety, reliability and operational excellence. Its electric distribution companies form one of the nation's largest investor-owned electric systems, serving more than 6 million customers in Ohio, Pennsylvania, New Jersey, West Virginia, Maryland and New York.

FirstEnergy Corp. is a privately owned electric utility headquartered in Akron, Ohio. It was established when Ohio Edison merged with Centerior Energy in 1997. Its subsidiaries and affiliates are involved in the distribution, transmission, and generation of electricity, as well as energy management and other energy-related services.

Jon Taylor is senior vice president, chief financial officer and strategy for FirstEnergy, with responsibility for accounting; treasury; investor relations and communications; risk; supply chain; and rates and regulatory affairs. Taylor joined FirstEnergy in 2009 from PricewaterhouseCoopers, LLP.
