

Generac power systems headquarters

Aaron P. Jagdfeld is Generac's Chairman, President and Chief Executive Officer. As the company's third CEO since its inception in 1959, Mr. Jagdfeld has led Generac's transformation from a manufacturer of backup generators and engine powered products into a global energy technology comp

A Generac standby generator protects your home and gives you peace of mind. When the power fails, you'll be ready. With automatic operation and 24/7/365 support from our Wisconsin headquarters, a Generac backup generator gives you added protection in an increasingly uncertain world.

Generac manufactures the widest range of power products in the marketplace including portable, residential, commercial and industrial generators. We are also the leading designer and manufacturer of manual and fully automatic transfer switches and accessories for backup power applications up to 2 MW.

We are committed to providing you with customer and technical support to ensure peace of mind and dependable service for your Generac product. Find help here or contact us - we're available 24 hours a day, 365 days a year. Call Us! 888-GENERAC (888-436-3722)

Strategic move strengthens Generac's position in commercial and industrial battery energy storage systems market. WAUKESHA, Wis. - June 27, 2024 -- Generac Power Systems (NYSE: GNRC), a leading global designer, manufacturer and provider of energy technology solutions and other power products, today announced the acquisition of PowerPlay ...
