

Generac products

Generac Generators are America's Leading Brand of Home Power Generators. With Quality and Durability You Can Trust, Generac Power Generators Won't Leave You in the Dark When You Need Power the Most. You Can Use a Generac Backup Generator for Home Use, Job Site Power, & So Much More.

At Generac, we believe everyone should have the power they need to tackle every chore, store the power they generate and bring the power they need on-the-go, wherever they go. So, we've built a wide range of products to do just that.

A Generac standby generator protects your home and gives you peace of mind. When the power fails, you'll be ready. With automatic operation and 24/7/365 support from our Wisconsin headquarters, a Generac backup generator gives you added protection in an increasingly uncertain world.

Both products are designed to integrate seamlessly with Generac's family of generator products, giving customers a smart, open ecosystem for greater resiliency and energy independence. In the event of a multi-day power outage, customers will have peace of mind with a paired PWRcell 2 and Generac brand generator*. If the PWRcell 2 battery ...

The 6500-watt Generac GP6500 portable generator can be used to tackle home projects, provide power for tools, or deliver essential electricity in the case of an outage. It is an especially affordable solution with premium features.

Lowe's has all kinds and sizes of whole home generators to keep your home running during a storm or power outage. Home standby generators connect to your home's electrical panel and to a natural gas (NG) or liquid propane (LP) line. The gas lines provide power when electricity is out.

Equipping your home with permanent backup power requires a solution as unique as your home and the way you live in it. Work with a local Authorized Generac Dealer to get a detailed estimate for a solution that's configured specifically for you. Request a Quote.

Generac's portable power products let you take your power with you, wherever you want to go. From the smallest power inverters to 17,500 watt portable generators - among the largest available - Generac has the portable generator for your recreational needs.

Generac portable power stations are small and quiet and provide portable, battery-powered electricity to run small appliances, TVs, lights and more. If your current generator is in need of repair, you'll find all the generator parts to restore it by shopping Generac at Lowe's.
