Top 10 Best Solar Company in Houston, TX - September 2023 - Yelp - Houston Solar Panel Installation - Solar Company, Texas Direct Solar, Freedom Solar Power, Luxury Energy Solar, Texas Solar Outfitters, Sunnova, Sunshine Renewable Solutions, Trismart Solar, ADT Solar, Connected Solar

Find a company that stands by their work, both in the form of a warranty and in terms of repair. A company that will install but won't even help you figure out how to repair your panels is not a company you want to work with. The same goes for any company that won't offer a warranty and won't stand by the work that they have completed.

We have been helping businesses reduce their electricity bill with solar power in Houston since 2013. Having successfully installed over 300 solar systems throughout the greater Houston area, our crew is one of the most experienced in the region and we are ready to tackle your project.

For large solar projects in Houston, it is recommended to contact a local solar company that can handle the installation and maintenance of the solar panels. Local solar companies are well-versed with regional regulations and climate conditions, ensuring a smooth and efficient process.
