Average cost installed; Cost by size; Cost by fuel type; Cost factors; Cost by brand; FAQs; Getting estimates; Whole house generator cost. A whole house generator costs \$6,000 to \$11,000 installed on average. Home generators cost \$3,000 to \$6,000 alone on average. The labor cost to install a whole house generator is \$3,000 to \$5,000 on average or \$5,000 to \$12,000+ ...

The worst Customer Service. I've had this Generac for about eight years to 2200 KW. The generator itself has been very good. Customer Service is among one of the worst customer service I've ever dealt with in my professional experience ever.

All generators require periodic maintenance, such as oil and filter changes to ensure maximum performance for years of reliable service. Scheduled maintenance kits are available and many Generac authorized dealers offer annual maintenance contracts for ...
