

Why should you attend China International Energy Storage Expo?

At China International Energy Storage Expo (EESA EXPO), Asia's premier energy storage exhibition, the road ahead is paved with countless opportunities. From connecting with 350,000+ of your peers to doing business with 1500+ exhibitors, it's an exhibition that yields benefits throughout the entire year.

How will China's energy storage industry grow in 2024?

Driven by both market and policy factors, the growth of energy storage is expected to be explosive, creating a strong demand for the industry's supply chain. Once again, the China Electricity Council and the State Grid Corporation of China will collaborate to host Shanghai International Energy Storage Technology Application Expo (ES Shanghai 2024).
