According to one 2022 study, brokers earn \$.08 for a \$1,000 order of a \$25 stock. I don't like paying eight cents on a trade. But Public asked me for a \$10 tip for a \$1,000 order on a stock trading at \$26.81. That's 125 times what the study estimated my order would have generated in PFOF. Public is asking a lot of customers' generosity.
