

Nexus solar energy review

Is Nexus energy a good company?

I would highly recommend Nexus to all. Nexus energy is a wonderful company to do business with. They have the best looking solar panels you'll ever find and they also include bird netting around it. You can't go wrong with an nexus energy!!

What is the guarantee offered by Nexus Energy?

Nexus Energy offers a full end-to-end warranty and maintenance package as part of its 25-year power production guarantee. Each Nexus Energy System comes with this guarantee, ensuring that you won't pay anything if anything goes wrong or the system doesn't perform as promised. Nexus Energy aims to provide a cleaner and more affordable way to power your life.

Should I buy or lease a solar system?

Solar loan: This option requires smaller monthly payments for a set time frame and grants you full ownership.

Solar lease: Homeowners lease the system from the solar provider and make monthly payments for its use.

Check out our guide to solar leasing to determine if this option is worth it.

Who is the best solar company in the northeast?

LGCY Power: LGCY Power provides one of the best guided solar consultations and offers detailed online articles covering the solar installation process. The company also partners with Sunrun, one of our picks for top solar companies. **Trinity Solar:** Trinity Solar has served the Northeast for more than 28 years.

Which solar companies offer the best in-house financing?

Financing Options (12 out of 15 points): Blue Raven offers some of the best in-house financing of the companies this list, but it limits this financing to solar loans. You may want to consider a different provider, such as Sunrun, if you're looking for a lease or PPA.

Is Tesla a good solar company?

Industry Experience (7 out of 10 points): Tesla is one of the largest names in solar, but it only has 18 years of experience. **State Availability (8 out of 10 points):** The company serves all 50 states. Tesla offers a 25-year performance warranty on its system and a 10-year comprehensive warranty covering product and workmanship.

Purchased Solar from Nexus Solar. It was installed in January 2019. The App never worked correctly to let me know the solar reading and after the first bill came after 3 months it showed the system was not working correctly. I informed them immediately. 7 months later they fixed the system- which was incorrectly wired by 70% of the panels.
