They take up little space (they fit in drawers) and can be relatively inexpensive. The models in our ratings range from about \$17 to \$165. "Immersion blenders don't make much of a mess compared to other blenders," says Ginny Lui, who oversees CR's blender testing. "It's a quick use and a quick clean of the handle and blade."

Considering its versatility, power, and quality, the Ninja CI101 Foodi Power Mixer System offers excellent value for its price. With its ability to transform into a hand mixer and immersion blender, as well as its smartTorque feature and EasyGlide beaters, this product is a worthwhile investment for anyone looking to elevate their cooking game.

The Ninja Foodi Power Mixer System is a newer product and, by default, the best immersion blender from Ninja since it's the only one they make. Still, it's worth mentioning because it takes the top spot on our list of the best immersion blenders. It's very well-built and makes a smoother blend with fibrous ingredients than most hand blenders we ...

Ninja CI100C Foodi Power Mixer System Immersion Blender and Hand Mixer Combo, Black & BW1000C Belgian Waffle Maker, Nonstick, 5 Shade Settings, Easy to Clean, Black/Silver, ... With the Ninja Foodi Power Mixer System, you can tackle all your essential food prep tasks in no time. Its 650-watt power-dense motor lets you power through tough ...

The Ninja Foodi Power Mixer System is better than the Vitamix Immersion Blender. The Ninja has a better build quality, comes with a jar you can use for blending, and makes a smoother puree of fibrous ingredients. It's also easier to clean by hand and comes with beaters, meaning you can convert it into a hand mixer.
