How did nusun make solar power affordable?

Nusun gambled on a hunch and used a cutting-edge marketing approach geared towards making solar power accessible and affordable for most Americans, regardless of their budget or the size of their property. The theory paid off in a big way, with Nusun posting record sales numbers in 2021 and 2022.

Is nusun solar a good company?

Nusun Solar aims to make clean home energy solutions accessible to all. Their marketplace was developed with funding from the U.S. Department of Energy. Unfortunately, there are limited reviews available for Nusun Solar. However, one review mentions a salesperson not fulfilling their agreement, which highlights a negative experience. No reviews

What makes nusun different from other solar companies?

One of the key developments that have set Nusun apart from its competitors is its use of advanced technology to streamline the installation process. They have developed a proprietary system that allows for faster, more efficient installation, which means that customers can start enjoying the benefits of solar power sooner.

Who is nusun solar?

Nusun was founded in 2021 by Jordan Binning, who although had limited experience in the solar industry, recognized a gap in the market for a company that could provide high-quality, affordable solar systems directly to homeowners.

Is nusun power a good company?

NuSun is a fine company with many respectable integral salesman, sad to see it blasted on here. Just had a surprise visit from a sales rep for Nusun Power...felt weird letting him look up my electric account and resetting my pw which I immediately re-set after he left! DUH.

These national companies just say whatever to sell you their product but don't care how well it works once they've taken your money. Good luck - I love my solar setup and my electric bills average around \$10 a month in the summer while running AC!

Sales reps keep on stopping by my house (SoCal) to try to help me lower my electricity bill through installing solar panels. The latest one is from Nusun Power, does anyone have ...
