

Paslode lithium ion battery

Paslode Lithium-Ion Rechargeable Battery for all Paslode Cordless Lithium-Ion Tools. Lithium-Ion battery drives 50 percent more nails per charge (up to 6,000) compared with Ni-Cad. This new battery offers a 1 hour charge time and it holds a charge 5 time longer.

This Paslode Lithium-Ion Battery 16-Gauge Angled Cordless Finished Air Tool Nailer is the newest version of Paslode's finish nailers. It is an angle nailer and uses two fuel sources, a small battery to provide a spark and a gas canister to provide the actual fuel. My past experience with Paslode nailers used a larger gas canister about 6 inches ...
