Pine-Sol is a registered trade name of the Clorox Company for a line of household cleaning products, used to clean grease and heavy soil stains. Pine-Sol was based on pine oil when it was created in 1929 and during its rise to national popularity in the 1950s. [3] By 2016, Pine-Sol products sold in stores no longer contained pine oil, which was done to reduce costs. [4]

This just sent me down a rabbit hole of watching these commercials. There's one where a woman in a

Power of pine sol commercial

commercial kitchen is talking about the good things going on in her life, and then she slips on the floor, dumping a pot of boiling water on herself and screaming in agony. Then quick cut to "That's the power of PineSol, baby." Here's ...
