In 1984, new packaging for Star Wars figures was introduced for the European market. A cost containment initiative, the new packaging sported three languages of the Return Of The Jedi logo for a "one size fits all" approach. Although a "three-logo" design was created for The Power Of The Force line (as evidenced on some "boxed" toys), it wasn't carried over to the ...

There were some "large than life" action figures released in THE POWER OF THE FORCE line. Han Solo (In Carbonite Chamber) is one of them. One of the most outstanding and exciting things (other than realizing there were new Star Wars figures at retail) about finding the final wave of Kenner action figures at Toys R Us was that they felt so much bigger than previous action figures.

The Kenner Han Solo in Carbonite Block from the Star Wars Power Of The Force Series Series is an action figure, which was introduced in the market in 1996. It measures 3.75-inch in size. This action figure comes in its original packaging.

The diorama comes with a Han Solo figure that fits into a molded wall of carbonite. Complete the scene by collecting all your favorite Star Wars figures. --Chris Burns Product dimensions : 1.9x12x6.6 inches Product weight : 12x8x7 inches SKU : ADIB00000J2AA
