

Whether you choose our flagship SunPower Maxeon panel line, backed by an incredible 40-year warranty, or our value-line SunPower Performance panels with their 25-year warranty, you can rest assured that you'll have peace of mind for decades to come.

The highest efficiency solar panels you can buy for your roof - 31% more power than a conventional panel 5; Designed and tested to stand up to the harshest conditions: temperature swings, battering winds, humidity, hail and more. SunPower solar panels are sold by dealers across the nation.

From high-quality panels to our exclusive Invisimount™ racking, SunPower products are carefully chosen for performance, reliability, and aesthetics to power your home with clean, sustainable energy from the sun.

The sun is the closest star to Earth. Even at a distance of 150 million kilometers (93 million miles), its gravitational pull holds the planet in orbit. It radiates light and heat, or solar energy, which makes it possible for life to exist on Earth. Plants need sunlight to grow.

PowernSun UAE offers top-notch solar solutions to meet your energy needs. We provide a wide range of high-quality solar panels, inverters, and batteries, backed by expert installation and maintenance services. Harness the power of the sun and enjoy reliable, clean energy for your home or business.

Learn about SunPower solar panels and how they deliver more power in real-world conditions. Read how our solar panel warranty compares to the competition. Power, product, and service, we've got you covered!
