ROKR Starry Night AMK51 is inspired by solar system and universe. It is a beautiful orrery model with colorful arcyic planets. Lovely melody will play after wind up. And the whole solar system will moves vividly.

The Solar System [d] is the gravitationally bound system of the Sun and the objects that orbit it. [11] It formed about 4.6 billion years ago when a dense region of a molecular cloud collapsed, forming the Sun and a protoplanetary disc. The Sun is a typical star that maintains a balanced equilibrium by the fusion of hydrogen into helium at its core, releasing this energy from its ...
