Sof Sole Insoles & Socks Review Posted on Mar 06, 2010 under Reviews | 5 Comments. I was sent a package of Sof Sole insoles and performance socks many months ago after complaining about how my old running shoes had given me massive blisters after running my first half marathon. They were kind enough to send quite a few products for me to try out, ...

The Sof Sole Fit Series Low Arch Shoe Insoles feature an encapsulated air chamber in the heel and polymer gel in the forefoot for maximum shock absorption. Combined with a reinforced stability plate in the arch and heel, these insoles enhance motion control and support, making it ideal for customers with low arch types.
