

## Solar companies campbell

How do I find a Campbell solar company?

Search for Campbell solar companies with a minimum of 3.5 out of 5 stars on Google Reviews and comparable customer review platforms. The company should also have a respectable rating on Better Business Bureau (BBB). Reviewing previous customer testimonials can provide insight into other homeowners' experiences dealing with the solar company.

Should you switch to solar energy in Campbell?

According to the U.S. Energy Information Administration (EIA), changing to solar energy enables Campbell homeowners to save \$1,000 on average each year. Not every solar company has the same offerings. Prior to scheduling your solar panel installation, look at different companies' offerings and get multiple quotes.

Who is the best solar contractor in Campbell/Los Gatos?

Cinnamon Energy Systems, of Campbell/Los Gatos, is rated as the best by many. The reviewer shares, "I have been thinking about installing solar for some time and now glad I did." On a scale of one-to-ten (ten- the highest), they would rate Cinnamon an eleven.
