

Solar company liquidation

Is SunPower a liquidation?

Despite filing for Chapter 11, which typically allows a company to restructure rather than liquidate, SunPower's situation looks like a liquidation. In July, the company paused several key operations, including new product shipments and leasing and purchasing agreements. This pause signaled growing difficulties within the company.

Why did complete solar file for bankruptcy?

The company filed for Chapter 11 Bankruptcy, which allows a company to restructure while it continues to operate. Complete Solar, acting as a "stalking horse buyer," was awarded the bid for a portion of SunPower's assets, including Blue Raven Solar, SunPower's New Homes business, and a portion of SunPower's Dealer network.
