The Consumer Affairs Research Team used a research-backed, data-driven approach, which was informed by our expert editors, to choose the best solar companies. The team regularly evaluates customer reviews, company information and industry trends to update our top picks.

Who is the CEO of solarreviews?

Both Andrew Sendy, President of SolarReviews, and Lachlan Fleet, CEO of SolarReviews, have founded solar companies that are among the largest in their respective markets today. This expertise continues through the SolarReviews editorial team, which has a combined total of more than 50 years of solar industry experience. Why SolarReviews?

Should you lease or buy a solar system?

But leasing might be best if you don't have the upfront cash for an installation, can't use the federal solar tax credit or don't qualify for loan options. Of the big leasing companies, our pick is SunPower, as it has the best review scores among large national leasing companies.

Does a solar installation company offer a warranty?

Any reputable solar installation company will offer a workmanship or labor warranty that covers any damages that may occur during the installation process. We recommend using an installer with at least a ten-year labor warranty. Some installation companies, like SunPower, include a system performance guarantee.
