

# Solar glow company review

Is glow green a reliable solar panel installer?

Overall, Glow Green is a reliable and trustworthy solar panel installer. Our researchers especially liked the fact that you can receive quotes within seconds without needing to speak to any pushy salespeople. We found Glow Green's prices to be fair and in line with the average cost of solar panel installation.

Is glow green a good brand?

Glow Green receives outstanding customer reviews and scores 4.3 out of five stars on Trustpilot. 71 per cent of those reviews were rated five stars, with many customers praising Glow Green's customer service as well as its quick and easy installation process.

Who are glow green solar panels?

Since its expansion, Glow Green has become one of the UK's leading suppliers operating nationwide. The company has over 1,700 fully-trained engineers who install products from its various categories in UK homes. Its solar panels come with up to 30-year warranties and all installations are protected with up to five years of workmanship warranty.

Does glow green offer financing?

A member of the Glow Green team will then call to discuss the options available, including financing. The company is regulated by the Financial Conduct Authority (FCA) as a credit broker and works with a panel of lenders who supply finance for boilers, solar PV panels, battery storage, air conditioning and EV charger installations.

What is solar reviews?

SolarReviews has both an extensive collection of unbiased consumer reviews of U.S. solar companies and an expert ranking system to help you identify the best solar panel installation companies in your area. Since 2013, our in-house solar experts and engineers have built one of the most accurate solar calculators available.

Will glow green refund my £200 deposit?

If you decide not to proceed, Glow Green will refund your £200 deposit. If you go ahead with installation - you'll now need to pay a 25 per cent deposit. Glow Green will book your solar panel installation with one of its Microgeneration Certification Scheme (MCS)-accredited engineers for a time that suits you.
