

Solar panel for ring camera

Where can I buy a ring spotlight solar panel?

Shop Ring Solar Panel for Spotlight Cam or Stick Up Cam in the Solar Panels department at Lowe's.com. The Ring spotlight solar panel provides non-stop solar power for your Ring Spotlight Cam battery or Stick Up Cam battery. With just a few hours of direct

How does the ring solar panel work?

The latest Solar Panel with upgraded solar technology keeps your camera charged longer with up to 60% faster charging than the previous generation. Connect it to any Ring USB-C Security Camera with the built-in USB-C connector or barrel plug camera with the included USB-C to barrel plug adapter. Keep your setup tidy with built-in cable management.

Do I need a solar panel for each ring camera?

Yes! You do need one solar panel for each Ring camera. Solar panels and chargers are made to work with just one device at a time. So, if you want to use the solar option for multiple cameras, you'll need a separate solar panel or charger for each camera. Each camera needs its own sunny buddy to keep it charged and running.

How do I connect a solar panel to my spotlight Cam?

Simply connect the solar panel to your Spotlight Cam battery with the included micro-USB cord, and secure it with the adjustable mounting bracket. It's that simple. Shop Ring Solar Panel for Spotlight Cam or Stick Up Cam in the Solar Panels department at Lowe's.com.

How do I mount a solar panel and a ring security camera together?

Solar Panel clips onto mounting base and includes arms to wrap excess cable. Ring mounts, such as the Gutter Mount, Pole Mount, and Wall Mount for Solar Panels and Cams (sold separately) can help mount the Solar Panel and Ring Security Camera together without needing to drill an extra set of holes. See supported devices.

Can I use the ring solar panel with a ring device?

When using the Ring solar panel with any supported Ring Device, you should always choose "Battery Mode." Ring solar panels only work with Ring devices that come with a battery. If a device has no battery, the Ring solar panel can't be used with it.
