

Where can I find solar tenders?

A good starting point is Solar Tenders Worldwide, a subscription service that lists live government tenders related to solar projects. In Europe, public sector tenders over a certain value (EUR428,000 for energy) must be published in the Official Journal of the European Union (OJEU).

What is a tender for a 400 MWp solar PV module?

Tender for Manufacturing, Testing, Packing and Forwarding, Supply and Transportation of 400 MWp domestically manufactured Solar PV Modules with domestically manufactured Solar Cells. Tender for Selection of Agency for Engagement of Professional support staff at SECI.

How do I find and apply for solar projects worldwide?

We've done the hard work for you: here are our top tips for finding and applying for solar projects worldwide. A good starting point is Solar Tenders Worldwide, a subscription service that lists live government tenders related to solar projects.

What happens if a solar contractor is awarded a contract?

Upon an award, the solar contractor is bound to execute the contract and begin performance. If another contractor that supplied a proposal thinks that it had the best value proposal, the contractor can question the government's evaluation process.

What types of contracts do Solar Contractors need?

Solar contractors should also be aware that federal contracts can be further categorized by the type of delivery -- indefinite delivery contracts, definite quantity contracts, requirement contracts and single-task order contracts -- and type of price -- fixed-price contracts, cost-reimbursement contracts and incentive-type contracts.

Do Solar Contractors need a Miller Act Payment Bond?

Since liens cannot be placed on federal projects, solar contractors and/or their suppliers and materialmen must look to a Miller Act payment bond for relief. The Miller Act has strict notice requirements with which federal contractors must comply. Failure to provide bonds can lead to termination for default by the federal government.

installation of Grid tied Solar Photovoltaic rooftop system, tenders are invited from the reputed and experienced vendors for design, supply, installation, commissioning and 10 years ... (CUF) of the solar power plant shall be in the range of 15% to 19 % annual basis, during the 10 year CMC period. The capacity utilization factor (CUF)
