

Solar-Ray provides one of the most thorough and precise solar site evaluations in the industry. Below is a description of what you can expect. Call today to learn more or schedule an appointment (407) 250-1263, or email info@solar-ray.

Our Process Our Process Trust the Experience 1. Consultation We'll take a look at your energy needs, and tell you how much you can save by going solar. We'll also answer any of your questions. Simple, painless, and free. 2. Survey & Engineering We'll stop by to check out your roof, and gather information for ... Our Process Read More »

Solar-Ray, Inc. provides a thorough evaluation of your home or business and will consult with you to design the system that will achieve the highest possible energy production in line with your budget and aesthetic standards.

In 2003, Michael founded Solar-Ray, Inc under the belief that Solar Energy should be accessible to everyone. To this day, Michael has run this business by that code, promising to deliver efficient and reliable solar power to everyone.
