

Or one can always do the cheap method and reset for first floor curse room for items for Guppy (on specific challenges that are useful), L'il Brimstone as it's a pseudo Brimstone, Sacrificial dagger (in this challenge's case, which was really useful as it blocks tears in this game), etc. Brimstone and Knife are useless on Blind runs tho.

The Binding of Isaac: Rebirth. ... I actually just completed the Solar System challenge, and I found that Brimstone DOES work but ONLY with Tammy's Head. I thought I had made a mistake when I picked up Brimstone after I defeated Mom (with the Goat's Head), hoping it would work. I felt bummed, but carried on and found Tammy's Head in Utero II ...

Suicide King, Cat Got Your Tongue, Solar System, Family Man, Beans and Demo Man are by far the most difficult so tackle those accordingly to your ability. As far as cheesing the challenges, as long as you have some patience, you can get off to an amazing start with enough time just holding "R" and waiting for a curse room to be adjacent to your ...
