

Sullivan solar power complaints

Why was Sullivan Solar Power's license suspended?

Sullivan Solar Power's license was suspended on Nov. 4 for failing to comply with an outstanding civil judgment-- a case in which a homeowner in Jamul took the company to small claims court, won a \$5,065 judgment in April but did not receive payment.

Should you worry about your solar system being serviced?

According to Michael Powers, co-founder of Stellar Solar, you don't have to worry about the equipment being serviced if you currently have an existing solar system.

Did Sullivan solar power violate contractors license law?

The Contractors License Law or its regulations were allegedly violated by Sullivan Solar Power, as indicated by a letter of admonishment sent to the company's CEO and founder, Daniel Sullivan, on Dec. 31 of last year.

Are Sullivan Solar panels covered by a warranty?

If Sullivan Solar customers encounter issues with their panels, inverters, monitors, or other equipment, these items are typically covered by the factory warranty of the company that manufactured them. Customers are advised to contact a local solar installer for assistance.
