What is the Sunrun Monitoring portal?

The Sunrun Monitoring portal is a tool that allows you to track your solar system's performance and cost savings. It also provides an option to share this information via social media and other ways. If someone you refer to Sunrun decides to go solar with them, you will receive a referral reward. The portal helps you monitor the progress of any referrals you sent to Sunrun.

How do I create a new account on Sunrun?

To create a new account on Sunrun, you need to have an account already with them. If you don't have an account, create one by launching your Web browser and navigating to Sunrun's Login page. You will want to input your email identity and telephone number during the account creation process.
