The Tre410 Single-note Meditation Energy Chime from TreeWorks is a beautifully designed single-note chime that is great for meditation and adding sonic ambiance to a musical piece -- perfect for percussionists of all stripes. Made from an exclusive aluminum/titanium alloy that is heat-treated for eight hours, the Tre410 produces a clear ...

To that end, the first thing to keep in mind is that more chimes doesn"t necessarily mean a better set resonance is their most important quality, and that comes from the grade of metal used to make the chimes. So a short set, like the Treeworks Hand Held Chime, can be just as good as a larger one such as the Meinl Headliner Series 33-Bar ...
