

Velineon vxl-6s brushless power system

The Velineon VXL-6s speed control features new hardware and new tuning tailored specifically for Sledge and its all-new 2000kV brushless motor. Together they deliver substantially more power under the curve for increased mid-range punch and acceleration you can see and feel.

This advanced Velineon VXL-6s ESC is custom-tuned for the 2000 kV motor to pour on the power you demand for over-the-top fun. An integrated fan cools the oversized heatsink to keep ESC temperatures down and extend run times.

The Velineon VXL-6s is custom-tuned specifically for the 2000Kv motor. Together they deliver substantially more power under the curve for increased mid-range punch and hard-charging acceleration you can see and feel.

Buy Traxxas Velineon VXL-6s Brushless Power System, Waterproof (Includes VXL-6s ESC and 2200Kv, 75mm Motor): Electric Speed Controllers - Amazon FREE DELIVERY possible on eligible purchases.

Two-stage thermal shutdown protection with integrated cooling fan protects the VXL-6S from overheating; Capable of running up to 6S (22.2V)! Locked Rotor Protection(TM) prevents system damage by cutting power; Battery Over-Voltage Protection; Specifications: Type: Sensorless Brushless; BEC Voltage: 6.0V; BEC Continuous Current: 10A; BEC Peak ...

This is the Traxxas Velineon VXL-6s Brushless ESC and 2200Kv 75mm Motor. The VXL-6s Power System comes equipped with an integrated cooling fan and is pre-wired with 10-gauge wire and dual Traxxas high-current plugs.

The Velineon VXL-6s is custom-tuned specifically for the 2000 Kv motor. Together they deliver substantially more power under the curve for increased mid-range punch and hard-charging acceleration you can see and feel.

The Traxxas Velineon VXL-6s Brushless Waterproof Power System includes the VXL-6s ESC and the 2200Kv 75mm motor. Designed from the ground up for ultimate performance, the VXL-6s is waterproof for all-weather fun and features the latest tech. Pair the VXL-6s with Traxxas Link and the system delivers real-time temperature, speed, RPM, and ...

Traxxas Velineon VXL-6S Brushless Power System. This replacement power system is intended for the Traxxas E-Revo VXL 2.0 or the Unlimited Desert Racer. Package includes one motor and one ESC.
